

Proof of Work

Developing the next generation of digital creators.

Cameroon Digital Business School

WHO WE ARE

Effex Academy

Cameroon Digital Business School

Effex Academy is a development program focused on equipping young Africans with creative digital skills in media production, digital storytelling, Artificial Intelligence, branding, and entrepreneurship.

Through workshops, mentorship, and industry-driven training, we are building a community of creators and entrepreneurs who can compete and thrive in the creative digital economy.

WHY SPONSOR EFFEX ACADEMY?

Your Brand. Their Screens. Our Platform.

01 High-Value Consumer Access

Reach creators, entrepreneurs & digital professionals aged 23-40 who actively invest in gadgets, accessories and digital tools.

03 Online Brand Exposure

Content shared across Instagram, TikTok, YouTube, Facebook & WhatsApp by participants and speakers before, during and after the event.

05 Strategic Brand Positioning

Be seen as a brand that invests in African youth empowerment, creativity and digital innovation.

02 Authentic Product Integration

Products used organically in workshop sessions, BTS content and live demos; not traditional advertising.

04 Direct Sales Opportunities

Exclusive discount codes and product bundles for attendees drive measurable, trackable conversions.

06 Long-Term Partnership

Align with a growing creative ecosystem expanding across West and Central Africa.
